BTGE1	Unang Hakbang Foundation, Inc.	Project "Tick Talk!" focused on time management for senior high school students, employing paper pamphlets as interactive modules during a well-prepared session, promoting engagement and comprehension through activities and discussions. Project "Clicking with Care: Combatting Cyberbullying and Promoting Digital Responsibility" focused addressing diverse forms of cyberbullying with a emphasis on prevention and awareness for children aged 12 to 14 through in-person interactions and hands-on demonstrations. "Byte-size Learning: A Digital Literacy Program" effectively educated adolescents on safe and ethical online navigation, fostering critical evaluation skills to distinguish credible sources, executed through a traditional face-to-face approach using conventional supplies. "Before Everything Else: Navigating the Fundamentals of Internet Safety" addressed digital literacy and safety for a specific demographic through strategic focus on prevalent challenges, emphasizing dialogue as a key method, and employing a traditional face-to-face approach with printed materials. "BSpeak Up: A Public Speaking Forum" aimed to enhance speaking and communication skills, emphasizing foundational elements of public speaking for children to express ideas confidently, with face-to-face sessions, discussions, and activities aligned with the module's contents.	34/40	Ms. Abigail Genito	https://drive.google.com/file/d/1kGWa1dbTfcMJevbQa1PD4nI8pJuAz3q/view?usp=sharing https://drive.google.com/drive/folders/11LyIliwoGr7wiDuWqKQDuuchDGJb_myR?usp=drive_link	https://drive.google.com/file/d/1kGWa1dbTfcMJevbQa1PD4nI8pJuAz3q/view?usp=sharing

BDGE5	Friendship Home Father Luis Amigo, Inc.	Future's Gems is a collaborative project by students from De La Salle College of Saint Benilde, blending skills from BS - Architecture and AB - Fashion Design and Merchandising in their NSTP-02 course, aiming to empower youth through jewelry crafting, fostering social responsibility, cultural identity, and positive community impact. PINTADO, a project led by art majors from De La Salle-College of Saint Benilde, seeks to inspire and encourage children to explore their artistic and imaginative potential by sharing the students' acquired knowledge and skills in the arts. The 'Molding the Future' project emphasizes offering hands-on clay art experiences to children, intending to teach fundamental skills such as working with different types of clays, the art of building and creating, and proper usage, facilitated by art student participants to ensure a straightforward and friendly knowledge transfer. The 'Munting Maskara: Creative Workshop for the Children of Friendship Home, Father Luis Amigo' project aims to teach children creative face mask design, with objectives including effective instruction, assistance in finishing designs, and providing opportunities for the children to express and showcase their creations through a show-and-tell, offering alternative executions such as providing templates and showing finished product examples The immersion program 'Ori-Game Me!' conducted by De La Salle-College of Saint Benilde's NSTP-02 BDGE5 group at Friendship Home Fr. Luis Amigo aims to instill artistry and creativity, emphasize patience and respect, and promote cooperative learning and working in children, recognizing the benefits of creative activities for their holistic development, including fine motor control, cognitive skills, and stress relief..	40/40	Ms. Renie Tess Martin	https://drive.google.com/file/d/1CnBLRGvUxm5MpdhAolcbLHAWaQeBHn6c/view?usp=sharing https://drive.google.com/file/d/139rquxSOFvHmSn3pSS0arV3eZV84n_CB/view?usp=sharing https://drive.google.com/drive/u/2/folders/13n_LQ6FkVyHwAKBruPWGQCCGYGhKGU6e	https://drive.google.com/drive/folders/1DRNezJ7Awwu39suuOU5XYRwKuocPyuZvU?usp=sharing

BDGE3	Onesimo Bulilit Foundation, Inc.	The Kalinga Kabataan project aims to address the decline in social and communication skills brought about by the pandemic, emphasizing the development of essential skills, fostering cooperation and leadership among youth, and expanding their communication abilities to empower them for future personal and professional success. The "ZumBulilit" dance workshop project that seeks to empower underprivileged children by providing a positive and secure space to enhance confidence and productivity, overcoming challenges of time and resources through strategic goal-setting. Project Sinag 2023-2024 aims to enhance digital literacy among junior and senior high school students through advanced computer program training, facilitate access to online learning platforms, promote digital citizenship, empower self-directed learning, and measure academic improvement by assessing applied computer skills and digital literacy. The Ningning Project: Developing the Brilliance of Onesimo Teens is an inclusive program addressing the diverse challenges faced by underprivileged teenagers, focusing on holistic development, teamwork, personal growth, skill development, overcoming obstacles, fostering inclusivity, building confidence and resilience, and preparing them to be productive, socially responsible citizens through a transformative approach that includes education about core values. "Pintacular" is a mural painting project at Onesimo Bulilit Foundation aimed at supporting children, making a positive impact through art to promote healthy social interaction, creativity, and passion, while creating a visually uplifting environment for increased productivity and optimism in their daily lives.	34/40	Ms. Analiza Soliven	https://drive.google.com/file/d/1CnBLRGvUxm5MpdhAolcbLHAWaQeBHn6c/view?usp=sharing https://drive.google.com/file/d/139rquxSOFvHmSn3pSS0arV3eZV84n_CB/view?usp=sharing https://docs.google.com/document/d/1o1H_50FI8gHKwHUROjdBppmdUBDaXCfK/edit	https://drive.google.com/drive/folders/1DRNezJ7Awwu39suuOU5XYRwKuocPyuZvU?usp=sharing

BDGE1	Ignacio Villamor Senior High School	The "Kontra Cancel Culture: A Digital Responsibility Initiative Seminar" aims to raise awareness about the detrimental impact of cancel culture, empower individuals with knowledge and modern tools to counter negative consequences, and educate Ignacio B. Villamor Senior High School students on cancel culture dynamics through focused discussions. "Cooky Tho: A Deep Dive into Food Safety and Hygiene" seeks to provide Ignacio Villamor Senior High School cookery strand students with a comprehensive understanding of food safety and hygiene, combining classroom instruction and hands-on activities to enhance awareness and practical skills, ultimately promoting healthier dietary choices and preparing students for culinary-related professions. "The 5 W's and H of Philippine Cuisine: Rediscovering Home-Cooked Favorites" aims to provide a deeper understanding of the historical and cultural significance of Philippine food, educate students on important components and cooking techniques, preserve traditional recipes, showcase the cultural diversity of Philippine cuisine, and offer hands-on opportunities for students to practice Filipino cooking under supervision. "Rampa in the Kitchen" is a project focused on training future culinary professionals to work gracefully under pressure, enhance versatility, and develop critical thinking by conducting a three-ingredient challenge, aiming to teach additional skills, improve existing ones, and minimize food waste through resourceful cooking. "Kitchen to Table" aims to equip students with both technical proficiency in meal preparation and creative expertise in table setting, fostering a multidisciplinary approach to cultivate culinary artists who understand the seamless harmony between food and its surrounding atmosphere, emphasizing the holistic enjoyment of the dining experience beyond the plate.	40/40	Mr. Jesus Dominic Dizon	https://drive.google.com/file/d/1CnBLRGvUxm5MpdhAolcbLHAWaQeBHn6c/view?usp=sharing https://drive.google.com/file/d/139rquxSOFvHmSn3pSS0arV3eZV84n_CB/view?usp=sharing https://drive.google.com/drive/u/2/folders/1qAuJ1KeMgSNtNtvDPRUrBICBV4HICZI8	https://drive.google.com/drive/folders/1DRNezJ7Awu39suuOU5XYRwKuocPyuZvU?usp=sharing

BDGE4	Onesimo Bulilit Foundation, Inc.	The project, "Understanding Microsoft Office: The Key To Greater Impact," led by BeMind, a group of diverse college students from Benilde, focuses on providing Microsoft PowerPoint tutorials to enhance technological knowledge, featuring designated roles for team members in facilitating, content outlining, visual creation, and public speaking tips. The "Expecting the Unexpected: Disaster and Risk Seminar" aims to enhance Onesimo Bulilit Foundation staff awareness of unforeseen events, enabling proactive threat detection and management through objectives such as describing disaster management ideas, values, demonstrating response to endangerment, and outlining procedures to avoid impending threats. "WellBee Assisting You" aims to support Onesimo Bulilit Foundation staff by introducing digital project applications, Miro and Trello, to improve workflow, enhance collaboration, and increase productivity, with enabling objectives including skill development in Miro, familiarization with Trello, and providing brochures for ongoing guidance. The "Interactive Program and Training in Mentorship and Coaching" aims to equip students with coaching and mentoring skills, enabling them to identify, describe, and implement these skills through activities, while also assessing their proficiency by the end of the lesson. The "KALINAW (Kapuwa Lingap Ikaw)" program that focuses on mental health capacity-building for its workforce and community, incorporating awareness discussions, application of resolution measures, distribution of materials, organized therapeutic exercises, and recorded documentation for both institutional and foundation purposes.	26/40	Ms. Analiza Soliven	https://drive.google.com/file/d/1CnBLRGvUxm5MpdhAolcbLHAWaQeBHn6c/view?usp=sharing https://drive.google.com/file/d/139rquxSOFvHmSn3pSS0arV3eZV84n_CB/view?usp=sharing https://docs.google.com/document/d/11A85T6CS1yZSvdZmLr5eGbG8VoX5hAwi/edit	https://drive.google.com/drive/folders/1DRNezJ7Awu39suuOU5XYRwKuocPyuZvU?usp=sharing
