Kawing 2024	Creative Activities	By sharing one's heart for volunteerism, KAWING, which means 'link,' is a STRAINS-initiated project designed to embody us Filipinos working as bridges between diverse communities, stimulating growth and progress. KAWING 2024 helped the Children's Rehabilitation Center and centers on raising awareness providing support to children who have been victims of different forms of abuse; ranging from physical health to social maladjustments. Led by Student Trainers, KAWING 2024's goal was to provide an extraordinary experience to the next set of dreamers and introduce them to the wonders and possibilities that passion and efforts can achieve as long as they believe. KAWING 2024 aimed to give back to the community by leading the chosen beneficiary to experience the best display of passion and inspiration. This event showcased and embodied the name Student Trainers and its love for service while emulating the warmth of the Benildean culture from within to outside our community.	6 April 2024	Student Trainers (STrains)	Children's Rehabilitation Center	Daycare center learners		ARG Theatre	https://drive.google.com/drive/u/0/folders/17xzJrKaArsO4cSkHBzdEbVSxxcRNNa51

KomlNK 3: Bringing Colors to Life	Workshop	Comic strips have become part of the lives of people one way or another. From newspaper political commentary to the fun Garfield comics. In current times, comic strips are used by different artists to entertain or educate their audience regarding current happenings. As time moves forward, comics as well go with it. As part of DrawINK's ideals, to "draw ICONIC and NATIONALISTIC KOMIKS", we would like to reach audiences from different backgrounds to enjoy comics as we do. In regards, we would be conducting a talk-workshop event to inform and teach comics to the partner communities of DLS-CSB. And ask them to create a comic strip that is deeply inspired by their daily lives, Barangay problems, and/or advocacies. KomlNK 3: Bringing Colors to Life was a 1-day event held last May 4, 2023. It aimed to inform the participants of the growing comic industry here in the Philippines.Cedric Songco, one of the creators DrawINK's comic, Monsters Beyond Us was invited to speak during the event. Also, a workshop on comic creation was held, led by our organization members, to teach our participants the basics of comic making.
