QUESTION 3. Does your university as a body participate in international collaboration or gathering or measuring data for the SDGs?

22 OCT 2026 – DUE DATE! AY 2024-2025

Does your university as a body participate in international collaboration on gathering or measuring data for the SDGs?

TITLE OF ACTIVITY: Korean Association for Public Administration (KAPA) 2024 International Summer Conference

DATE & TIME: 19–21 June 2024

LOCATION: Yeosu Expo Convention Center, Yeosu, South Korea

PERSONS / ORGANIZATIONS INVOLVED: Korean Association for Public Administration (KAPA); international scholars and public-administration researchers

SHORT DESCRIPTION: SDG GPA Chairperson, Maricel Fernandez-Carg, participated in an international academic conference on equity, leadership, community, and robust governance. She examined privatization of education and social equity in the Philippines, contributing to international research dissemination and comparative discussion of public-service delivery. This is relevant to evidence-informed policy and cross-country research exchange, particularly for SDG 4 (Quality Education) and SDG 16.

TITLE OF ACTIVITY: The 2nd China–ASEAN Defense Think Tank Exchange (CADTE)

DATE & TIME: 24–26 July 2024

LOCATION: Guangzhou, China

PERSONS / ORGANIZATIONS INVOLVED: DLS-CSB School of Diplomacy and Governance; Academy of Military Sciences, China; Jinan University

SHORT DESCRIPTION: SDG with Edwin Estrada as faculty, participated in an international exchange involving defense think tanks and security-related civilian research institutions from China and ASEAN countries. The activity aimed to strengthen institutional exchange, research cooperation, and mutual understanding of regional security issues. This provides evidence of international collaboration among research institutions, which could support future comparative research and data-sharing relevant to SDG 16 (Peace, Justice and Strong Institutions).

TITLE OF ACTIVITY: Meeting with Dr. Jane Knight (University of Toronto)

DATE & TIME: 14 February 2025

PERSONS / ORGANIZATIONS INVOLVED: University of Toronto; Commission on Higher Education (CHED); De La Salle–College of Saint Benilde Office of the Vice Chancellor for Academics and Center for External Linkages; SDG representatives

SHORT DESCRIPTION: The research meeting explored university and government awareness and action in the Philippines regarding open science and research/knowledge security in international academic research collaboration. Because open science and responsible research collaboration affect access to, sharing, and governance of research data, the discussion is relevant to strengthening institutional capacity for collaborative SDG research.

TITLE OF ACTIVITY: Benilde SDG4SDGs Online Campaign

DATE & TIME: 17–30 January 2025

Channels: SDG official Facebook, Instagram, and TikTok channels

PERSONS / ORGANIZATIONS INVOLVED: School of Diplomacy and Governance; Benilde students and participating academic units

SHORT DESCRIPTION: SDG launched an online campaign featuring short student videos promoting the 17 Sustainable Development Goals. The campaign supported public communication and awareness of the SDGs and created a digital engagement activity that could be used as a starting point for tracking reach, participation, and engagement. SDG also works on researches related to SDGs including the integration of SDGs in the curriculum and in the syllabi of all Benilde courses. Integrating SDGs in the Benilde syllabi was initiated by the Benilde School of Diplomacy and Governance

INTERNAL DEADLINE: 22 DEC 2026
